

This is the Water Quality Certifications Information Page of the Central Valley Regional Water Quality Control Board. If you need further information on any of the following pending certification applications please contact the assigned staff person.

County Name	Applicant:	Project	Comment Deadline	Contact Person
BUTTE	Sutter Butte Flood Control Agency P.O. Box M Yuba City, CA 95991 Michael Bessette, P.E. 530.755.9859	5A04CR00263 Oroville Wildlife Area Flood Stage Reduction Project	Friday, February 17, 2017	Staff Name: Zaitz, Scott; Phone: 530.224.4784; Redding
	<u>Project Description:</u> This project includes vegetation management and restoration, hydraulic improvements, and recreation enhancements. The project would improve the connectivity of the Feather River to its historic floodplain, reduce flood stages within the main channel, provide more frequently inundated floodplain rearing habitat for salmonids, and reduce the extent of invasive plant species.			
CONTRA COSTA	Christine Schneider, Contra Costa Water District. P.O. Box H20. Concord, CA 94524. Phone Number: 925.688.8118. Email: cschneider@ccwater.com	5B07CR00133A2 , Los Vaqueros Reservoir Dam Outfall Maintenance Project	Friday, February 17, 2017	Staff Name: Tadlock, Stephanie; Phone: 916.464.4644; Sacramento
	<u>Project Description:</u> Discharger requesting for 5 year time-extension.			
EL DORADO	Josh Sjostrom, USDA Forest Service. 4260 Eight Mile Road, Camino, CA 95709. Phone Number: 530.647.5304. Email: jsjostrom@fs.fed.us	5A09CR00170 , Cody Meadow Restoration Project	Friday, March 03, 2017	Staff Name: Warner, Daniel; Phone: 530.224.4848; Sacramento
	<u>Project Description:</u> Ultimately, the design concept for the Cody Meadow project area is to implement near-complete gully fill.			

County Name	Applicant:	Project	Comment Deadline	Contact Person
EL DORADO				
	Kirk Bone, Serrano Associates, LLC. 4525 Serrano Parkway, El Dorado Hills, CA 95762. Phone Number: 916.939.4060	5A09CR00169 , Serrano Village J5 Commercial, Phase 1	Friday, February 24, 2017	Staff Name: Warner, Daniel; Phone: 530.224.4848; Sacramento
	<u>Project Description:</u> The purpose of the Project is to develop a commercial center to serve the local residents within the EDHSP.			
LAKE				
	Fred Pezeshk, County of Lake. 255 North Forbes Street. Lakeport CA 95453. Phone Number: 707.263.2341. Email: fred.pezeshk@lakecountycal.gov	5A17CR00149 , Harbin Creek Bridge Replacement at Harbin Springs Road	Friday, February 17, 2017	Staff Name: Tadlock, Stephanie; Phone: 916.464.4644; Sacramento
	<u>Project Description:</u> The project consists of the replacement of the existing structure (Bridge No. 14C-0111) over Harbin Creek. The existing timber bridge superstructure was completely destroyed by the Valley Fire. The existing 25' long by 22' wide timber superstructure will be removed and replaced with a 45'-6" long by 29'-4" wide single span precast, prestressed, concrete slab or a cast-in-place reinforced concrete slab bridge.			
NEVADA				
	Doug Roderick, Nevada Irrigation District. 1036 West Main Street, Grass Valley, CA 95945. Phone Number: 530.271.6866. Email: roderick@nidwater.com	5A29CR00106 , Combie Phase I and Bear River Siphon Project	Friday, February 17, 2017	Staff Name: Warner, Daniel; Phone: 530.224.4848; Sacramento
	<u>Project Description:</u> Work for the Project will occur within the existing disturbed footprint of the existing Combie Phase 1 Canal (concrete lined) and associated access road.			
PLACER				
	Heather Trejo, Placer County Water Agency. P.O. Box 6570. Auburn CA 95604. Phone Number: 530.823.4905. Email: htremo@pcwa.net	5A31CR00458 , Clover Valley Reservoir Supply Pipeline Project	Friday, February 17, 2017	Staff Name: Minkel, Peter; Phone: 916.464.4684; Sacramento
	<u>Project Description:</u> The project site is less than 1 acre and includes the supply pipeline alignment, access road improvements, and equipment staging.			

County Name	Applicant:	Project	Comment Deadline	Contact Person
PLACER				
	Jeff Ronten, D.F. Properties, Inc. 2013 Opportunity Drive, Suite 140. Roseville, CA 95678. Phone Number: 916.782.2704. Email: Jronten@surewest.com	5A31CR00460 , Sierra Vista Specific Plan Infrastructure Segment M5a1	Friday, February 24, 2017	Staff Name: Tadlock, Stephanie; Phone: 916.464.4644; Sacramento
	<u>Project Description:</u> Infrastructure segment M5a1 will include preparation of sub-grade for a portion of Market Street and Ronten Road and construction of the pad for the PG&E Pressure Reducing Station (PRS).			
	John Norman, Brookfield Sunset, LLC. 2271 Lava Ridge Court, Suite 220. Roseville, CA 95661. Phone Number: (916) 783- 1177. Email: John.Norman@brookfieldrp. com	5A31CR00459 , Amoruso Ranch Project	Friday, February 24, 2017	Staff Name: Minkel, Peter; Phone: 916.464.4684; Sacramento
	<u>Project Description:</u> The purpose of the Project is to construct a large-scale mixed use planned community serving the regional commercial and residential needs of Western Placer County.			
SACRAMENTO				
	Jason Behrmann, City of Elk Grove. 8401 Laguna Palms Way. Elk Grove CA 95758. Phone number: 916.683.7111. Email: cjordan@elkgrovecity.org	5A34CR00685 , Civic Center Water Basin Project	Friday, February 17, 2017	Staff Name: Tadlock, Stephanie; Phone: 916.464.4644; Sacramento
	<u>Project Description:</u> The Civic Center Project will include an aquatics complex, community center, a transit center, and associated parking. The City plans to modify an existing non-functioning wetland to serve as a stormwater detention basin on the Civic Center site located in the western City limits. The modification of the wetland to serve as a detention basin is required to meter water off the project site to historic levels, as per City ordinance.			
	Jason Behrmann, City of Elk Grove. 8401 Laguna Palms Way. Elk Grove, CA 95758. Phone Number: 916.683.7111	5A34CR00686 , Elk Grove Civic Center Fire Road Project	Friday, February 17, 2017	Staff Name: Tadlock, Stephanie; Phone: 916.464.4644; Sacramento
	<u>Project Description:</u> The City plans to construct a fire lane on a property located west of Big Horn Boulevard, near Denali Circle within the Civic Center site. The fire lane would enter at the western portion of the project site and provide access for public safety vehicles and deliver and service trucks to the Civic Center facility. In addition, it will provide a secondary access point for emergency vehicles that require access into the facility.

Robert Lilly, Rose's Engineering. 8577 Bader Road. Elk Grove, CA 95624. Phone Number: 916.837.6058. Email: robilly@comcast.net	5A34CR00689 , 8225 Mariposa Avenue Project	Friday, February 24, 2017	Staff Name: Minkel, Peter; Phone: 916.464.4684; Sacramento
--	--	---------------------------	--

Project Description:

This project consists of a parcel split to create two parcels; Parcel 1 16779 sf and Parcel 2 15710 sf. gross.Roadway and utility access is provided by a 16 foot wide road running along the south property line. A house has been constructed on Parcel 1 and is ready for sale. House construction is anticipated on Parcel 2 after the completion of improvements and recordation of the final map.

SHASTA

Pacific Gas and Electric Co, 6111 Bollinger Canyon Road, 3rd Floor, #3210C San Ramon, CA 94583 Steve Willoughby 415.314.2818	5A45CR00512 L-402 R-675 Exposed Gas Pipeline Project	Friday, February 17, 2017	Staff Name: Berchtold, Dani; Phone: 530.224.4783; Redding
--	--	---------------------------	---

Project Description:

PG&E proposes to bring in fill material and place it over the L-402 gas pipeline in the action area to increase the surface soil depth over the pipeline to 48 inches or greater. A corrugated metal pipe culvert would be replaced in one intermittent stream that bisects the right of way (ROW) and two new corrugated metal pipe culverts would be installed in two other intermittent that bisect the ROW. Two rock armored low water crossings would also be installed along the ROW; one in a seasonal wetland and the other in a select upland area that is prone to erosion.

Improvement Project

Friday, February 17,
2017

Staff Name: Tadlock,
Stephanie; Phone:
916.464.4644;
Sacramento

Project Description:

The California Department of Transportation (Caltrans) proposes to improve the safety at three separate locations along SR-16 near the communities of Madison and Esparto in Yolo County. The scope of work would include: (1) Widening and paving shoulders to 8 feet, (2) Providing a 20 foot Clear Recovery Zone (CRZ) on each side of the highway, (3) Installing rumble strips in the shoulders, (4) Adding left turn pockets and/or a two way left turn lane, (5) Straightening horizontal curves, (6) Replacing or relining culverts as needed, (7) Widen and add a traffic signal, or (8) Add a roundabout, or (9) Widen and maintain the existing all-way stop.
